

# CROWN

[www.nicolegayle.com](http://www.nicolegayle.com)

In this practice you are going to activate the 7 sacred laws of the divine feminine where you are crowned by the KING.

The sacred laws of the divine feminine are royal laws you are anchoring in your life for royal living, moving you from creating with lower false feminine codes and bringing you into your highest birthright as the Queen who has power with God and the masculine - creation in the physical reality.

The sacred laws will follow along your energy centers - the consciousness that is connected to the energy of the universe and which may have been out of balance based on programming or wounding. This is you coming back into restoration with the royal law of your being and living from your mighty Queen power.

Please see the bonus audio teaching on this practice.

## Crown Practice

Step 1. Bring your multidimensional self online to witness you anchoring the sacred laws in your life.

Step 2. State your intention: "In the name of the King of Glory I call forth my power as the Mighty Queen and I establish these sacred laws in my life."

Step 3. Activate the sacred laws while allowing your multidimensional self to witness.

Root - I activate the crown and sacred law of divine provision in my life now

Sacral - I activate the crown and sacred law of divine creation in my life now

Solar - I activate the crown and sacred law of divine power in my life now

Heart - I activate the crown and sacred law of divine love in my life now

Throat - I activate the crown and sacred law of divine harmonious communication in my life now

Third Eye - I activate the crown and sacred law of divine insight in my life now

Crown - I activate the crown and sacred law of divine union in my life now

Remain at the crown and begin to visualize being crowned by the King.

See yourself in the throne room, kneeling down and visualize the King coming to place a royal crown on your head.

Imprint the feeling in your body for 1 minute or more.

After imprinting the feeling, bring your awareness to your root chakra at the base of your spine. Inhale, hold for 3 seconds, release when you're ready.

Make a decree while in your root: This is my holy decree and this is established in my physical reality and all over all time, space and dimensions. Thank you. It is done.
