Prayer:

"Let the glory of God fill this temple. Let the presence of God fall. Fill me up God. Let me become your dwelling place oh God."

Practice: The Watch

This is a holy grail and spiritual practice called "tarrying" - remaining or staying, lingering in God's presence with you creating a devotional chamber and set time aside in holy pursuit of the in filling of God's presence in you that is symbolic of the CUP that's filled with the spirit and presence of God.

In the watch, you choose to spend:

1. Once a week on a weekend day from 12am-3am in prayer and supplication

or

2. Once every two weeks on a weekend day from 12am-3am in prayer and supplication

or

3. Once a month on a weekend day from 12am-3am in prayer and supplication

Feel free to check in daily with your updates.
